

NTSUSA Clan Partner

At NTSUSA, we encourage Americans to connect with the things that make Scotland unique – from coastlines to castles, from art to architecture, from wildlife to wilderness – and to protect them for future generations. As an American Clan organization, we know you care about Scotland as much as we do. That's why we want to invite you to join our Clan Partner program - where Clans can find resources, make meaningful connections with new audiences, and experience first-hand the cultural heritage sites that reveal the way of life for your ancestors and their neighbors.

Clan Partners receive valuable benefits, including:

- **A discounted rate of 15% off NTSUSA membership for every member of your Clan.** Members receive free admission and parking at all NTS properties, and free or discounted admission at all National Trust properties worldwide, including England, Wales and Northern Ireland. [Visit our website at www.ntsusa.org](http://www.ntsusa.org) for a full list of [membership benefits](#). Clan Partners will be given a unique membership discount code that can be shared among members and friends of your organization.
- **Listing, with hyperlinks, as Clan Partner on NTSUSA website and monthly e-newsletter.** One guaranteed social media tag per year. Our full digital reach includes over **10,000 active subscribers**.
- **An annual e-newsletter with the latest as it relates to the region of Scotland affiliated with your Clan.** Content will include property focused news from the past year, interesting artifact or special collections finds, as well as stories and photos from Clan Partner members.
- **Special access and planning guidance for group travel.** While we cannot manage travel arrangements for our Clan Partners, we would be delighted to share insider knowledge and advice from our own experiences. We have suggestions for ancestral tourism resources, visitor attractions across Scotland, and listings of basic ancestral connections to the National Trust for Scotland's historic sites. Subject to availability and based on your group's needs, we may also be able to assist with arranging private tours or other experiences at our properties.
