

NTSUSA Scottish Clan Partner

At NTSUSA, we encourage Americans to connect with the things that make Scotland unique – from coastlines to castles, from art to architecture, from wildlife to wilderness – and to protect them for future generations. As an American Clan organization, we know you care about Scotland as much as we do. That’s why we want to invite you to join our Scottish Clan Partner program - where Clans can find resources, make meaningful connections with new audiences, and experience first-hand the cultural heritage sites that reveal the way of life for your ancestors and their neighbors.

Clan Partners receive valuable benefits, including:

- **A discounted rate of 15% off NTSUSA membership for every member of your Clan.** Members receive free admission and parking at all NTS properties, and free or discounted admission at all National Trust properties worldwide, including England, Wales and Northern Ireland. [Visit our website at bit.ly/lovescotland](http://bit.ly/lovescotland) for a full list of [membership benefits](#). Clan Partners will be given a unique membership discount code that can be shared among members and friends of your organization.
- **Listing, with hyperlinks, as Clan Partner on NTSUSA website and monthly e-newsletter.** Partners at the \$500 level and above will have their logo on the [NTSUSA website Clan Partner page](#). You are also invited to submit one newsletter feature per year. Our full digital reach includes over **10,000 active subscribers**.
- **Print and digital collateral.** NTSUSA will provide digital content and a printed postcard with information about the work of the National Trust for Scotland, our partnership and how your support is benefiting the Trust, and details to help your members redeem the NTSUSA membership discount benefit.
- **Restrict your gift to an NTS property.** Your society's annual Clan Partner support will provide critical funds for NTSUSA to continue its work in the United States. Gifts above your annual support can be restricted to your favorite places under the care of the National Trust for Scotland.
